Our mission statement: *Passion for Christ, Compassion for all.*

## PASTOR'S MESSAGE: THE GREATEST GIFT

Pastor Calvin Hill

As December settles over our days, many of us are finishing our winter preparation. We are raking the last leaves, checking fences, changing feeding pastures, and making sure everything is cared for before the deep cold and snow arrives. It reminds me that Christmas, too, asks us to prepare, not just our homes, fields, and barns but our hearts.

This year has brought its share of sorrow for our community, church, and families. We have said goodbye to loved ones, neighbors, and friends whose absence is felt at every gathering. And while some among us will celebrate the season with full tables and healthy family moments, others carry quiet grief. In moments like these, Mary's actions speak to us, as Luke records: "*But Mary treasured up all these things and pondered them in her heart.*" (Luke 2:19) She welcomed God's gift by treasuring it deeply within, holding hope gently in her heart.

Christ comes to us the same way—quiet, steady, and full of grace like a gift. And as we receive Him, we may discover that we ourselves become a gift to others as a steady hand, a welcoming to those who need a table, a warm presence, a voice of encouragement, or a bit of strength to those feeling down. Sometimes the greatest gift one might receive this Christmas season is simply you—your love, your resilience, and your kindness. Others, like Mary, may ponder them deeply as the greatest gift this year.

## PASTOR'S MESSAGE

(Continued)

May this season hold us, help us clear a little room in our hearts, not only for Christ's coming but also for one another. And may the peace, the peace in Christ, be felt across our families, community, and every ranch.

## CHILDREN'S MINISTRIES

Submitted by Carl Sundstrom

We have welcomed several new faces to children's Sunday School! All kids are welcome to join us for activities in the Sunday School room. Thanks to Melvin, Donna, and Nancy for helping, and a special thank you to Bette for taking the lead when Carl could not be there!

Lessons continued on the Golden Rule, based on the parables and actions of Jesus as examples for us to follow. Treat others the way you wish to be treated. Stories about excluding and including others were presented. Videos of the Parable of the Prodigal Son and the Good Samaritan were reviewed to reinforce the lessons from Children's Time during the worship service.

The history of Veterans' Day and the tradition of wearing poppies to honor the sacrifices of America's veterans was given on November 12.

During a worship service, Pastor Hill shares a story with the kids during Children's Time.

## A NOTE OF APPRECIATION AND PASTORAL LOVE

Submitted by Pastor Hill

Thank you, members and friends, for your generous financial support during our 13<sup>th</sup> Month of Giving campaign. Your faithfulness and generosity shows how deeply you love God and the mission of Newcastle First United Methodist Church. Even during these trying times, as many of us carry burdens and loss, you continued to give with hearts full of hope, love, and commitment.

Paul said, "*Let us not grow weary in doing good.*" (Galatians 6:9) Your generosity is a living example of that truth. It strengthens our mission in keeping God's presence in our church and community.

I am grateful for each one of you. May God bless you for all you offer; and may your gifts, prayers, and support continue in Jesus' name.

## **45 SHOEBOXES DONATED!**

Submitted by Phyl Sundstrom

Members of our congregation participated in Operation Christmas Child this year by filling 45 shoeboxes for distribution around the world. On Tuesday, November 18, the shoeboxes and \$450 shipping contribution were delivered to the Gateway Fellowship collection site.

Over four weeks, members of the congregation donated various items to be used for the shoeboxes, such as school supplies, socks and underwear, toothbrushes and toys or games. On Monday, November 10, six volunteers packed thirty shoeboxes from the donations. Linda and Rick Miller also packed and donated fifteen shoeboxes. The United Methodist Women contributed to this project through the suggested \$10 shipping per shoebox.

On Sunday, November 16, during Children's Time, the Operation Christmas Child project was explained and then Pastor Marcia blessed the shoeboxes; this way, all in the congregation could participate in this global mission project. A big thank you to all who contributed items or funds for the shoeboxes.

The 2025 “Christmas in Wyoming” bazaar was a wonderful event for our church family and community. A heartfelt “thank you” is extended to the members of our faith community who helped make this a successful event—those who helped with setup/cleanup, those who prepared the delicious soups and pies, those who contributed items to the various booths, those who volunteered their time to work at the bazaar, and those who purchased items and drawing tickets. The United Methodist Women, along with the Bazaar Committee, truly appreciate everyone working together on this event.

## **TRUSTEES KEEP BUSY WITH PROJECTS**

Submitted by Carl Sundstom

The Board of Trustees met Tuesday, November 4, with Reverend Hill, Carl Sundstom, Lavonne Roberts, Adam McFarlin, Melvin Costa, and Sharon Roness in attendance. Reverend Hill offered the opening prayer. Carl offered a motivational thought about needing help. The minutes of the September 9th meeting were read and approved; Carl gave a financial report.

Jake was elected Vice Chairman of Trustees. Filling the required position of Treasurer was discussed.

**RAN Grant:** A preliminary spreadsheet detailing the Church's planned "In Kind" contributions to its share of the project has been created, and a summary has been submitted to CU Boulder. The "In Kind" contributions suggested by the Trustees reduce the Church's cash outlay to meet the 20% commitment to the project by \$4,995. Five quotes from contractors have also been submitted to CU Boulder and reportedly have been forwarded to the US Department of Energy.

The following projects have been completed:

The concrete pad for the mailbox has been poured. Permanent signs to meet the Fire Marshall's requirements were discussed. Carl will see if they can be made in Newcastle. The handle on the outside door at the office was repaired. The sprinkler system has been winterized. A failed light switch in the storage room has been replaced. The annual work day to inspect and clean the gutters was held Saturday, November 15; Melvin, Jake, and Carl completed the gutter work, cleaned up leaves and placed the memorial plaque for Dusty Rhoades provided by the Garden Club.

In looking forward to several projects to be completed in the future, the Trustees approved purchasing masonry supplies to repair the fire walls in the furnace room. The Trustees will contact 21 Electric for the installation of cabling and power receptacles for the TV project. By consensus, keys to the furnace room will be provided to Adam and Melvin. Adam will construct legs for the mailbox to allow it to be installed so the bottom won't rust out.

The Trustees will meet on Tuesday, December 2, in the church parlor at 6pm.

## **POINSETTIA SUNDAY**

### **December 21**

The church will be decorated with poinsettias during Advent. If anyone would like to designate one of the artificial poinsettias in memory or in honor of family members and friends, please call the church office at 746-4119 to have the names listed on an insert in the Sunday bulletin for Poinsettia Sunday, December 21.

A donation is made for the person/persons being honored. Make checks payable to FUMC with the word "flowers" in the memo line. Donations are used to help maintain the church yard.
